Dear Mr Young

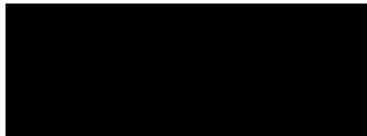

Re: APA Victorian Transmission System 2024 Gas Transmission Network Tariff Variation Proposal

The AER has considered this matter and decided, in accordance with the provisions of the APA Victorian Transmission System 2023–27 access arrangement, to approve APA's proposed tariffs for the period 1 January 2024 to 31 December 2024. The initial proposed tariffs were submitted to the AER on 19 October 2023. The final tariffs including the updated September quarter CPI were submitted on 25 October 2023.

The proposed tariffs are compliant with the APA Victorian Transmission System gas access arrangement 2023–27. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.

Should you have any queries, please contact Nick Innes on [REDACTED].

Yours sincerely
