Dear Ms Johnson,

Thank you for your response to our information request dated 23 August 2023.

In our information request dated 9 August 2023, we requested a copy of the Alliance's rules of association and its register of Members kept in accordance with section 56 of the *Associations Incorporation Reform Act 2012* (Vic). In response, you have queried whether it would be sufficient for an officer of the Alliance to make a statutory declaration as to the membership of the Alliance, without disclosing personal information.

We can confirm that statutory declaration is sufficient to satisfy our request that the Alliance is a representative of two thousand electricity consumers in Western and North-western Victoria, comprising households, small and large farm businesses, other businesses and community groups.

Accordingly, we request that a statutory declaration be provided by an authorised officer of the MHCPA confirming that MHCPA is an agent for these groups.

Please provide your response by Monday 25 September 2023.

If you have any questions regarding this matter, please contact Jesse Price, Director, Stakeholder Engagement at jesse.price@aer.gov.au.

Yours sincerely

Gavin Fox
Acting General Manager Market Performance
