

Dear AER,

It is blatantly obvious that HumeLink stage 2 contingent project application is based on lies & brazen deception - with NO Social Licence & NO benefits to Australia at all.

It is part of the ECOCIDAL, Fake Green RenewaBULL Solar/Wind Energy Poverty Grift & Ponzi Scheme/Scam that is Recklessly Ruining Rural Australia for the sole benefit of greedy, subsidised multi-nationals, Billionaire bullies & the Chinese Communist party - who are being enabled to sabotage Australia - by controlling our Electricity Grid - our critical energy infrastructure with their toxic contaminating, weather dependent JUNK - at astronomical cost to everyday Australians who are being cruelly mistreated, made to suffer hardship & traumatised by the Government, TransGrid, AEMO, AER & AEMC.

**THIS DIABOLICAL FRAUD IS RECKING AUSTRALIA'S FOOD SECURITY, OUR INTERGENERATIONAL EQUITY, OUR ECONOMIC SECURITY, OUR INDEPENDENT ENERGY SECURITY & OUR NATIONAL SECURITY!**

**The PUBLIC HEALTH & SAFETY RISKS ARE ENORMOUS!**

**It is THE ANTITHESIS OF CARING FOR COUNTRY, AGAINST THE BEST INTERESTS OF AUSTRALIA & NOT FOR THE GREATER GOOD!**

## **HumeLink Regulatory Update - Material Change in Circumstance Assessment**

The Material Change in Circumstances Assessment reveals a pile of absolute fudgery!

None of this satisfies TransGrid or AEMO's Fiduciary Duties - as it is clearly a brazenly deceptive total fraud!

TransGrid & AEMO only want to hastily rush all this through to benefit themselves & cover up their fraudulent behaviour, as it is becoming increasingly obvious to the public how diabolical their Fake Green Swindle is!

AEMO & TransGrid are in cahoots pedalling urgent 'Cloud Cuckoo Land' propaganda - defying all Principles of Ecological Sustainable Development without any factual foundation whatsoever - completely failing their Duty of Care to the NSW Public - ignoring Due Diligence - as they deliberately rip-off Electricity consumers at outrageous expense by prioritising outrageous personal gain for doing nothing whatsoever beneficial in providing a reliable, efficient, secure, affordable, 24/7 Electricity system - instead, intentionally destroying Australia's Environment & Energy Security with PATHETIC, Unreliable, Insecure, Weather Dependent, Slave Labour produced, CCP Reliant, RenewaBULL JUNK - cruelly torturing the people & treacherously sabotaging our nation by speeding up HumeLink & VNI West actions

to link in with Project Energy Connect - in order to enable extensive control of our Critical Energy Infrastructure by the Chinese Communist Party through Electricity supply & componentry domination - ENABLING BEIJING TO TURN OUR LIGHTS OFF!!

**TRANSGRID & AEMO HAVE CONSPIRED TO ENSURE THERE ARE NO BUILT IN SAFE-GUARDS & CONSUMERS HAVE NO PROTECTION AGAINST INCREASING PROJECT COSTS!**

**IT IS ONLY A MATTER OF URGENCY FOR TRANSGRID & AEMO TO RECKLESSLY IMPLEMENT THEIR RUINOUS PLANS TO ENSURE THEIR ANTI-AG, ANTI-RURAL, DEINDUSTRIALISATION & DEPOPULATION, ENERGY POVERTY AGENDA BECAUSE THEIR PLANS ARE CLEARLY IMPLODING & THEY ARE PANICKING AS THEIR FAKE GREEN MONEY IS DISAPPEARING.**

**There are NO market benefits associated with HumeLink whatsoever & NEVER will be!  
There is NO way they have increased, from \$500m to more than \$1B!**

From

Dear AER,

I vehemently object to HumeLink stage 2 contingent project application as it is AGAINST THE BEST INTERESTS OF AUSTRALIA & NOT FOR THE GREATER GOOD!

This is a NATIONALLY SIGNIFICANT PROJECT AS IT IS A NATIONALLY SIGNIFICANT DISASTER - DESIGNED TO EXTENSIVELY TORTURE AUSTRALIAN PEOPLE WITH ECOCIDAL ENERGY POVERTY & TO SABOTAGE AUSTRALIA'S ENERGY SECURITY, FOOD SECURITY, ECONOMIC PROSPERITY & NATIONAL SECURITY.

It is clearly apparent that greedy, deceptive bully TransGrid, the totalitarian Government, dodgy canniving AEMO, AER & AEMC megalomaniacs are lying & deceiving the public - using **“confection ..... made up evidence - so lacking in integrity that no weight can be placed on it!”** (Federal Court Judge - Justice Natalie Charlesworth) - in their hard-core determination to ruin Rural Australia AGAINST OUR WILL, WITHOUT OUR CONSENT, WITH NO SOCIAL LICENCE - carelessly & irresponsibly defying all the Principles of Ecological Sustainable Development by forcing Risky Experiments = Moral Hazard = Gross Negligence - displaying “a lack of care that demonstrates reckless disregard for the safety or lives of others, which is so great it appears to be a conscious violation of other people's rights to safety.”

Enormous Public Health & Safety Risks are being deliberately inflicted on the Australian people Without Our Consent - including Personal Discomfort from unnecessary EMR/EMF, extensive, toxic contamination of our life-sustaining Food Resource Land & vital Water Sources from Toxic contaminating Solar/WindTurbine/BESS JUNK & TransGrid's totally unnecessary Transmission Line/Interconnector Fire hazards - NOT NEEDED AT ALL WITH FAR SUPERIOR AUSTRALIAN COAL, GAS & a Clean, Safe NUCLEAR POWER Future.

On the 29th Feb 2024 Terry McCrann wrote in The Australian - how Power regulators betray all of us:-

“Both the now obviously ludicrously named Australian Energy Regulator and its fellow quango the Australian Energy Market Operator have been exposed as compromising their obligations in desperate attempts to keep the lights on as the minster for destroying our electricity system blunders on.”

## Greedy, deceptive bully TransGrid, the Autocratic State & Federal Totalitarian Government & AEMO/AER/AEMC Rule Breakers/Liars ALL want Perpetual Chaos & Grinding Energy Poverty by Dialling Up Subsidised Wind & Solar - 'A Transition to Extinction.'

“The wind and solar ‘transition’ has nothing to do with providing reliable and affordable power. It’s a wealth transfer from power consumers and taxpayers to rent seekers – driven by ideologues and enabled by politicians who wouldn’t know a kilowatt from their elbow. Australia’s Eastern Grid is a heartbeat away from total collapse. Once upon a time, the Eastern Grid (which covers Queensland, New South Wales, ACT, Victoria, Tasmania and South Australia) delivered cheap and reliable power from coal-fired power plants situated in every one of those states, save Tasmania – which largely runs on its own hydro power.

20 years ago, that all changed with the Federal Government's Renewable Energy Target, which was (and is) all about subsidising large-scale wind and solar.

Because wind and solar can't be delivered on demand, the National Electricity Market (NEM) was destroyed from within to allow power with no commercial value to be traded within that market. Takeaway the renewable energy certificates (which constitute the subsidy) and there would be no market for intermittent wind and solar. Period.

As The Australian's Economics Editor, Judith Sloan explains below, the NEM is in a state of self-inflicted chaos, with no remedy in sight. And, as always, it's power consumers and taxpayers who will be left carrying the can." (STOP THESE THINGS)

TransGrid have provided a whole pile of unsubstantiated baloney in order to benefit themselves & torture the Australian people.

They don't care one iota about the environment, the local communities being ruined & harmed or about Australian benefit - it's ALL ABOUT THE MONEY FOR THEM!

They've already poisoned cattle in the Riverina with their toxic lead based asbestos paint & are greatly increasing their life threatening Public Health & Safety Risks without Due Diligence & with Gross Negligence - a lack of care that demonstrates reckless disregard for the safety or lives of others, which is so great it appears to be a conscious violation of other people's rights to safety.

TransGrid are delighted to provide their fraudulent draft Contingent Project Application (draft Application) for the devastating Humelink, which will be by far their worst construction failure - along with Project Energy Connect & VNI West - in their existing network. Their MAD PLAN involves around 360km of totally unnecessary 500 kV transmission lines that nobody wants, needs or consents to - connecting the Woke Central Sydney load centre which must be powered by FAR SUPERIOR NEW COAL OR A NUCLEAR PLANT AT LIDDELL instead - as it's totally useless linking in with Turnbull's astronomically costly & stupid White Elephant Snowy 2 which is an irresponsible, flawed design that will never be useful or completed and the diabolically sabotaging Project EnergyConnect - a National Security Nightmare - plugging us into our most hostile enemy - the State Grid Corporation of China's 46.56% CONTROLLED Robertstown Substation.

These Bad Actors desperately pedal urgency of the RENEWABULL ENERGY TRANSITION TO EXTINCTION as they are strongly committed to their VESTED INTERESTS & RUSHING TO RIP-OFF THE PUBLIC PRIOR TO ITS PENDING IMPLOSION & THE FACT THAT FAR SUPERIOR NUCLEAR POWER WILL

BE A MORATORIUM ON DESTRUCTIVE SOLAR/WIND/BESS JUNK - which are now playing a disastrous role in forcing unnecessary, anti Agricultural, unhealthy transmission infrastructure on the Public to achieve AEMO's Optimal STITCH-UP that's based on BRAZEN DECEPTION & SUNK COST TRICKERY!

**Climate The Movie: Watch Here – Watts Up With That?**

<https://wattsupwiththat.com/2024/03/20/climate-the-movie-watch-here/>

TransGrid SHYSTERS stand ready to extensively plunder Australia & irresponsibly, cruelly harm & torture the people with HumeLink, which dodgy AEMO considers to be in their long-term interests of CONTrolling Australian energy consumers with ENERGY POVERTY = COST OF LIVING CRISIS - CRUEL SUFFERING & HARDSHIP - critical to ensure PATHETIC, INSECURE, UNRELIABLE, WEATHER DEPENDENT, UNETHICAL SLAVE LABOUR BASED, CCP RELIANT PART-TIME POWER THAT WILL NEVER BE AVAILABLE ON DEMAND - depriving more than eight million people across New South Wales of RELIABLE, SECURE, AFFORDABLE, 24/7 AUSTRALIAN POWER as they destroy the Australian energy sector by DEMONISING AUSTRALIAN COAL - FIRED POWER PLANTS which are ESSENTIAL AUSTRALIAN BASE-LOAD POWER until Clean, Safe NUCLEAR POWER replaces old Coal plants.

TransGrid acknowledges HumeLink is more than a significant disaster for NSW consumers. They also don't appreciate the BACKLASH TOWARDS THE GOVERNMENT & AEMO MEGOLAMANIACS - that the Government's INABILITY TO FINANCE this CATASTROPHIC NATION WRECKING DISASTER & the IDIOTIC Rewiring the Nation FUDGERY is NOT SUPPORTED & WILL NOT ACCELERATE OR EVER BE DELIVERED - as AER's REGULATORY REFORM IS DISHONEST, DECEITFUL & TOTALLY MANUFACTURED - AGAINST THE BEST INTERESTS OF AUSTRALIANS - NOT FOR THE GREATER GOOD!

TRANSGRID HAS NEVER ACKNOWLEDGED OR ADDRESSED LOCAL COMMUNITY & LANDOWNER'S CONCERNS.

TRANSGRID have been RIGOROUS IN RIPPING OFF & WRECKING AUSTRALIA WITH NO BALANCE WHATSOEVER!

EVERYTHING HAS BEEN DONE TO COST THE CONSUMERS & ENABLE CCP CONTROL THROUGH CCP COMPONENTS THAT CAN BE MONITORED & REMOTELY DISABLED.

TRANSGRID ACT LIKE BUSH PIGS - PLUNDERING THE COUNTRY SPREADING DISEASES - FAILING BIOSECURITY, WITH NO CARE AT ALL FOR THE ENVIRONMENT, THE PEOPLE, OUR CHILDREN'S

FUTURE, OUR INDEPENDENT ENERGY SECURITY, FOOD SECURITY, ECONOMIC PROSPERITY & NATIONAL SECURITY.

TRANSGRID HAVE TOTALLY FAILED TO EVEN CONSIDER LET ALONE MANAGE THE LIFE THREATENING ENERGY POVERTY & PUBLIC HEALTH & SAFETY RISKS & THEIR LOWEST COST CLAIMS ARE OBVIOUSLY AN OUTRIGHT FRAUD.

**People are Waking up to TransGrid & AEMO's Woke Deception - It's All Bollocks!!**

TRANSGRID'S approach is also consistent with the WOKE, IDEOLOGICALLY DRIVEN - GARBAGE IN GARBAGE OUT MODELLING THEORY of the National Electricity FANTASY OBJECTIVE - DESIGNED to DESTROY EFFICIENT MARKET DRIVEN ENERGY INVESTMENT, RELIABILITY, SECURITY, QUALITY, SAFE OPERATION OF THE ELECTRICITY GRID.

TRANSGRID PLAN LONG TERM PAIN & NO GAIN - CAUSING ENVIRONMENTAL DESTRUCTION, COLLAPSE OF INDUSTRIES, HUMAN SUFFERING & DEATH FROM UNAFFORDABLE SKYROCKETING ELECTRICITY PRICES & ENERGY DEPRIVATION FROM PATHETIC, PART-TIME RENEWABULL JUNK THAT IS NEVER AVAILABLE ON DEMAND & WILL NEVER BE SECURE - ONLY GUARANTEEING BEIJING IS ENABLED TO TURN OUR LIGHTS OFF IN THIS DELIBERATELY ORCHESTRATED BLACKOUT FUTURE!

NUCLEAR POWER IS BY FAR THE SUPERIOR OPTION WITH MINIMAL ENVIRONMENTAL FOOTPRINT & NONE OF TRANSGRID'S NIGHTMARE NEEDED AT ALL!

AEMO PAYING OFF INDUSTRIES TO STAND IDLE AT PEAK TIMES BECAUSE PATHETIC INTERMITTENT RENEWABULLS WILL NEVER WORK TO POWER THE SYSTEM - IS NOT SENSIBLE, PRUDENT OR PRODUCTIVE FOR AUSTRALIA'S ECONOMY - NEITHER IS IT EFFICIENT OR ENSURING CONSUMERS PAY NO MORE THAN NECESSARY AS AEMO, AER & AEMC HAVE TOTALLY FAILED TO PROPERLY ADD UP ALL THE COSTS IN THEIR DECEITFUL CALCULATIONS. ACCORDING TO EXPERT PAUL MISKELLY'S INITIAL FINDINGS - IN ORDER TO RELIABLY POWER THE EASTERN ELECTRICITY GRID ON 100% RENEWABLES - 27,000 GEELONG SIZED BIG BATTERIES WOULD BE REQUIRED - AS A MINIMUM - EACH TAKING UP AN AREA OF 2 HECTARES. THIS WOULD BE A TOXIC TICKING-TIME-BOMB - SHEER LUNACY & COST PROHIBITIVE!
