Statement of reasons: Amadeus Gas Pipeline Annual Tariff Variation

On 19 April 2024, Amadeus Gas Pipeline applied to the AER for variation of its gas reference tariffs for the period 1 July 2024 to 30 June 2025.

In 2024–25, Amadeus Gas Pipeline’s transmission reference tariffs will increase by 3.44%.

The AER has carefully reviewed Amadeus Gas Pipeline’s application in line with its 2021–26 access arrangement and is satisfied the tariff variation proposal is consistent with the access arrangement.

The transmission tariff increases are driven by inflation (4.05%).

Having considered Amadeus Gas Pipeline’s tariff variation proposal, the AER approves these tariffs for commencement from 1 July 2024.
