Dear Mr Bolding

Re: APA Victorian Transmission System 2022 Gas Transmission Network Tariff Variation Proposal

The AER has considered this matter and decided, in accordance with the provisions of the APA Victorian Transmission System 2018–22 access arrangement, to approve APA's proposed tariffs for the period 1 January 2022 to 31 December 2022. The initial proposed tariffs were submitted to the AER on 22 October 2021. APA made revised submissions on 26 October 2021 and 10 November 2021 respectively correcting an error in the initial submission and then reflecting updated winter demand figures. The final proposed tariffs were submitted on 16 November 2021.

The proposed tariffs are compliant with the APA Victorian Transmission System gas access arrangement 2018–22. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.
