Dear Mr Gillespie

Re: Extension of time limits for Jemena Gas Networks (JGN) (NSW) Ltd access arrangement review 2025–30

The Australian Energy Regulator (AER) will publish its draft decision on JGN's 2025–30 access arrangement proposal on 29 November 2024. JGN's revised proposal is due by 15 January 2025. Stakeholder submissions will be invited by 14 February 2025.

Pursuant to rule 11(1)(c) of the National Gas Rules, the AER has made a decision to disregard the periods allowed for submissions on JGN's access arrangement proposal, the AER's draft decision and JGN's revised proposal, so that these will not be counted towards the decision-making time for the AER's final decision on this access arrangement.

We expect to release that final decision by May 2024. This notice is given pursuant to rule 11(2)(a) of the National Gas Rules and will be published on the AER website as required by rule 11(2)(b).

If you have any queries about this matter, please contact Meg Zerafa at [REDACTED]

Yours sincerely
