Dear Mr Young

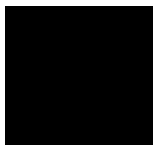

Re: APA VTS 2025 Gas Transmission Annual Tariff Variation

The AER has considered this matter and decided, in accordance with the provisions of the APA Victorian Transmission System 2023–27 access arrangement, to approve APA's proposed tariffs for the period 1 January 2025 to 31 December 2025. The initial proposed tariffs were submitted to the AER on 16 October 2024. The final tariffs including the updated September quarter CPI were submitted on 21 November 2024.

The final proposed tariffs are compliant with the APA Victorian Transmission System gas access arrangement 2023–27. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.
