| 4 | <p>Clause 2.2(c)(iv)</p> <p>Within two business days of the time specified in the RoLR procedures, AEMO will provide</p> <p>3. The designated RoLR with the customer details for affected MIRNS/DPIs as prescribed by the RoLR procedures for a gas RoLR event.</p> <p>4. Notification to the AER that customer details for affected MIRNS/DPIs have been provided to the designated RoLR for a gas RoLR event.</p> | <p>AEMO agrees that clauses 2.2(c)(iv) 4 and 5 replicate each other and that amendment is required. However AEMO recommends that that replacement clause read:</p> <p><i>“Within two business days of the time specified in the RoLR Procedures, AEMO will provide</i></p> <p><u><i>3. The summary MIRN/DPIs RoLR report to the AER as prescribed by the AER-AEMO event communication protocol for a gas RoLR event.</i></u></p> <p><del><i>3. The designated RoLR with customer details for affected MIRNS/DPIs as prescribed by the RoLR procedures for a gas RoLR event”</i></del></p> |
