

AUSTRALIAN ENERGY REGULATOR

Key Issues and Action Items

DATE: 10 August 2018
TO: AER's Consumer Reference Group on Rate of Return
CC: Warwick Anderson
SUBJECT: CRG 10 August face to face session

Introduction

The CRG had a meeting to discuss their initial draft submission positions. The AER attended and provided a brief Rate of Return Guideline process update.

Key issues

AER process update

The AER discussed the opportunity for the CRG to present to the AER Board. The AER indicated that the IRG is interested in a meeting and discussed arrangements for the meeting.

Action items

AER:

- *Arrange a meeting between the IRG and CRG*
- *Confirm details of CRG presentation to Board*
- *Take on notice question about date that profitability data will be available from profitability review*
