Dear Mr Kumar,

**Re: Jemena Gas Networks 2023-24 Tariff Variation Proposal**

The AER has considered this matter and decided, in accordance with the provisions of Jemena Gas Networks' (**Jemena**) 2020–25 access arrangement, to approve Jemena's proposed tariffs for the period 1 July 2023 to 30 June 2024.

The proposed tariffs were initially submitted to the AER on 14 April 2023.

The proposed tariffs are compliant with the Jemena 2020–25 gas access arrangement. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.

Should you have any queries, please contact Paul Harrigan on [REDACTED].

Yours sincerely
