CEO Energy Networks Australia
Unit 5, Level 12
385 Bourke Street
Melbourne VIC 3000

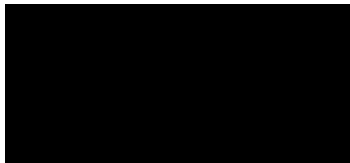

Dear Mr Dillon

Thank you for taking the time to write to me about the Australian Energy Regulator's (AER) review of the treatment of inflation.

I understand the important issues raised by Energy Networks Australia (ENA) in its submission and note the ENA Board's endorsement of the submission. We will consider these issues carefully as part of our review.

The AER expect to release a draft position on the review in September 2020 and a final position by the end of the year. If you would like to discuss this matter further, please contact Warwick Anderson, General Manager, Network Finance and Reporting on [REDACTED].

Yours sincerely

Clare Savage
Chair
