Dear Mr Yulin,

Re: Evoenergy 2023/24 Gas Distribution Network Tariff Variation Proposal

The AER has considered this matter and decided, in accordance with the provisions of Evoenergy's 2021–26 access arrangement, to approve Evoenergy's proposed tariffs for the period 1 July 2023 to 30 June 2024.

The proposed tariffs were submitted to the AER on 15 March 2023.

The proposed tariffs are compliant with the Evoenergy 2021–26 gas access arrangement. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.

Should you have any queries, please contact David Yuan on [REDACTED]

Yours sincerely
