Statement of reasons: Amadeus Gas Pipeline Annual Gas Tariff Variation

On 13 April 2022, Amadeus Gas Pipeline (**Amadeus**) applied to the AER for variation of its gas reference tariffs for the period 1 July 2022 to 30 June 2023.

The AER has reviewed Amadeus' application in line with its 2021–26 access arrangement and is satisfied the tariff variation proposal complies with the access arrangement.

The transmission network tariff increases are driven by the updated price path (X factor) from the 2021–26 access arrangement (a decrease of 2.49%) and the 3.50% increase in the CPI in the year to December 2021.

Having considered Amadeus' tariff variation proposal and finding it compliant, the AER approves these tariffs for commencement from 1 July 2022.

In 2022–23, Amadeus' transmission reference tariffs will increase by 0.92%.
