Dear Jennifer

I am writing to inform you of the outcome of our review of Powerlink's performance against the transmission service standards performance incentive scheme (STPIS) for the 2015 calendar year.

As you are aware, STPIS Version 3 (March 2011) applied to Powerlink for the market impact component and STPIS Version 2 (March 2008) applied for the service component during the 2015 calendar year. We conducted the annual compliance review in accordance with clause 5.3 of the scheme.
