Dear Mr Pattas

Jurisdictional Schemes - Energy Industry Levy, Utilities (Network Facilities) Tax and Feed-in Tariff (Large-scale)

ActewAGL Distribution requests that the Australian Energy Regulator determine that the ACT Energy Industry Levy, Utilities (Network Facilities) Tax and Feed-in Tariff (Large-scale) are jurisdictional schemes.

The attached submission provides details of applicable laws, the commencement dates of the relevant schemes and an explanation of how the relevant scheme meets the jurisdictional scheme eligibility criteria, as required by Clause 6.18.7A(g) of the National Electricity Rules.

Consistent with clause 11.35.2 of the National Electricity Rules, ActewAGL will incorporate jurisdictional scheme amounts, for schemes determined to be jurisdictional schemes, in its 2014/15 Network Pricing Proposal.

Please contact Leanne Holmes, Manager Economic Regulation, on 0412 850 715 to discuss any aspect of our application.

Yours sincerely

David Graham

Director Regulatory Affairs and Pricing
