Dear Mr Anderson

APT Pipelines (NT) Pty Limited (APTNT) is pleased to provide the enclosed Access Arrangement Revision Proposal for the Amadeus Gas Pipeline in accordance with the requirements of the National Gas Law, National Gas Rules and the Regulatory Information Notice served on APTNT by the Australian Energy Regulator on 2 June 2015.

The revision proposal includes the following information and documentation:

- Revised Access Arrangement – final version;
- Revised Access Arrangement – showing revisions;
- Access Arrangement Information;
- Submission supporting revision proposal and associated attachments;
- Models supporting submission proposal; and
- Supporting documents referred to in the submission.

APTNT has provided details of confidential information in the relevant AER templates provided with this submission.

APTNT looks forward to continued engagement with the AER through the Amadeus Gas Pipeline access arrangement review process. Please contact Alexandra Curran, Regulatory Manager, on 02 9275 0020 to discuss any aspects of our access arrangement proposal.

Yours sincerely

Peter Bolding
