Dear Ms Kaur

**ACCC Draft Decision: GasNet**

I attach the submission from AMCOR and PaperlinX regarding the ACCC's draft decision on GasNet Australia's proposed access arrangement for the gas transmission system in Victoria. We understand that additional information on opex from GasNet may be added to the ACCC website shortly. We will be responding to this after review.

We wish to formally request the Commission to convene a public conference so that key aspects of the draft decision, which we consider are opaque and lack explanation, can be debated.

Yours sincerely,

Peter Dobney
