

Attachment 1 - Confidentiality template

Title, page and paragraph number of document containing the confidential information	Description of the confidential information.	Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).
2023-24 annual SCS pricing model Tariff schedule 3 2023-24 prices - Site specific tariff prices Compliance table 7 Comparison to indicative 2023-24 Site specific tariff prices Output table 3 % Comparison to current 2022-23 Site specific tariff prices Output table 4 \$ Comparison to	Customer forecast volumes, price and revenue information	2023-24 Annual pricing proposal	Personal information	These customers can be easily identified. The customer forecast volumes provide information about each customer's consumption behaviour and the calculated revenue from the customer forecast volumes provides information about each customer's estimated network costs.	Disclosure of information may raise privacy considerations.	All network tariffs have been adjusted and are compliant prior to customer forecasted volumes and revenue information was redacted. The redaction of this information will not impact the proposed network prices for 2023-24.
