Dear Mr Anderson

Subject: Ausgrid's Revised Public Lighting Regulatory Pricing Proposal 2014-19

I refer to Ausgrid's Revised Public Lighting Regulatory Proposal for 2014-19. Southern Sydney Regional Organisation of Councils (SSROC) has made a submission to the Australian Energy Regulator (AER) in its roll of managing a Street Lighting Improvement Program on behalf of 35 councils served by Ausgrid in metropolitan Sydney, the Central Coast and the Hunter.

We wish to advise that the City of Canterbury strongly supports the SSROC's submission to the AER dated 13 February 2015 in response to the AER's Draft Decision and Ausgrid's Revised Proposal.

If you wish to discuss the information provided in this letter, please contact **Ms Danira Tepic**, from City Works on **9789 9430**.

Yours sincerely

Wayne Cooper
