Dear Sir

**PROPOSED REVISIONS OF SOUTH WEST QUEENSLAND PIPELINE (“SWQP”)
ACCESS ARRANGEMENT**

In accordance with section 2.28 of the Code, Epic Energy is required to lodge proposed revisions to the access arrangement for the SWQP by today. These are revisions relating to AFT Services.

Accordingly, please find **enclosed**:

- A proposed revised access arrangement containing the proposed revisions; and
- An Access Arrangement Information document.

Versions of the above documents showing the revisions in mark up mode are currently being finalized and will be submitted shortly.

I am also in the process of finalizing a submission to support the proposed revisions. This will be provided to you early next week.

In the meantime, if there are any questions, please call me on 08 9492 3803.

Yours sincerely

Anthony Cribb
