

## NATIONAL ELECTRICITY RULES

### EXTENSION OF TIME LIMIT UNDER CLAUSE 6.6A.2(j)

TO: Powercor Australia Ltd (ABN 89 064 651 109)

40 Market Street  
MELBOURNE VIC 3000

Date: 4 May 2018

In assessing the contingent project application that Powercor Australia Ltd (**Powercor**) submitted to the AER under clause 6.6A.2(a) of the National Electricity Rules on 4 May 2018 (**contingent project application**), concerning the installation of Rapid Earth Fault Current Limiters, the AER has today decided to extend the time limit by when the AER must make its decision by not more than 60 business days in accordance with clause 6.6A.2(j) of the National Electricity Rules.

The AER will now make its decision on Powercor's contingent project application by 10 September 2018.
