Dear Mr. Buckley

Re: 2007 South West Queensland Access Arrangement

On behalf of Epic Energy Queensland Pty Ltd, the owner of the South West Queensland Pipeline (SWQP), Epic Energy Corporate Shared Services hereby submits revisions to the SWQP Access Arrangement consistent with its obligations under the 2004-06 approved Access Arrangement.

The SWQP Access Arrangement is comprised of the following seven (7) documents:

- Access Arrangement
- Access Arrangement Information
- Appendix 1 to the Access Arrangement Information
- Annexure A – Access Principles
- Annexure B – Additional Terms and Conditions
- Annexure C – Definitions
- Gas Transportation Guide

I have provided three versions of each document: a marked-up version in Microsoft Word showing the changes from the 2004 approved Access Arrangement, a clean version in Microsoft Word (no mark-ups), and a clean version in PDF.

Please do not hesitate to contact me should you require any further information.

Regards
