

Erratum 15 May 2002

GasNet Access Arrangement and Access Arrangement Information March 2002

1. Access Arrangement, Schedule 1 (Initial Transmission Tariffs), Section 1.3 d), pp 19-20
 - The two references to an X-factor of 5.0 should be replaced with 0.05.
2. Access Arrangement, Schedule 2 (Injections & Withdrawal Zones), Section 2.2, pp 27-30
 - Delete M060 from Latrobe Zone. It correctly belongs in the Tyers Zone.
 - Delete the duplicate of M126 from Interconnect Zone (it is correctly located in Culcairn Zone).
 - The correct MIRN for M126 is 20000002PC, not V0000M126.
3. Access Arrangement Information, Table 4.3 and Table 4.4 (Annual volume across each pricing zone), p 15, has corrections to:
 - 2001 actuals
 - the split between Latrobe and Tyers
 - corrections to the Murray Valley and other zonal forecasts

The tariffs were derived from these corrected forecasts. The corrected Table 4.3 and 4.4 are shown below.
