

Essential Energy AERD Submission 2015-19 - Confidentiality Claim Log

Business Type: Public Lighting

Date: 28/05/14

Title, page and paragraph number of document containing the confidential information	Description of the confidential information.	Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).
Attachment 8.1 Public Lighting Proposal 1.6.6.4.1.1 Labour and Plant Contract Costs	Commercially sensitive information pertaining to the contract allowance per bulk lamp replacement.	Operating expenditure	Market Sensitive cost inputs	Disclosure of contract rate allowances may affect the ability to obtain competitive market prices.	Availability of contract values would negatively impact the ability to obtain the most competitive costs to supply through a future public tendering process.	Obtaining the most competitive rates of supply from the market will generate savings that will be passed onto consumers in the form of lower tariffs.
