

# 2023-27 POWERLINK QUEENSLAND REVENUE PROPOSAL

Appendix 1.05 - PUBLIC

## Document Register

© Copyright Powerlink Queensland 2021

In accordance with clause 1.6(d) of the RIN, the following table outlines each document provided in or as part of Powerlink's 2023-27 Revenue Proposal, proposed pricing methodology or negotiating framework and its relationship to other documents provided.

- 1.6:
- (d) a table that references each document provided in or as part of the revenue proposal, proposed pricing methodology or negotiating framework and its relationship to other documents provided; and
  - (e) each document identified in paragraph 1.6(d) must be given a meaningful filename in the form: Powerlink – [Author] – [Title] – [Date] – [Public/Confidential], where:
    - (i) *Author is the author of the file if not Powerlink, for example a consultant or other third party;*
    - (ii) *Title provides a meaningful description of the content of document, with limited reliance on acronyms or cross references, for example “Appendix 1A” is not meaningful, but “Appendix 1A – Cost allocation method” is;*
    - (iii) *Date is a relevant date associated with the file, generally the date the document was created; and*
    - (iv) *Public/Confidential identifies if the file in its entirety can be published (public); or if it contains any information which is the subject of a claim for confidentiality in accordance with paragraph 25 of this notice (confidential).*
