Corporate Structure

Powerlink Queensland is a corporation established under the *Government Owned Corporations Act 1993* (GOC Act) and is a registered public company under the *Corporations Act 2001*. The Board of Directors has the overall responsibility for corporate governance of the corporation.

Directors are appointed by the Queensland Government and report to the nominated shareholding Ministers of the Queensland Government. Powerlink's two shareholding Ministers are:

- Treasurer and Minister for Investment, the Honourable Cameron Dick MP; and
- Minister for Energy, Renewables and Hydrogen and Minister for Public Works and Procurement, the Honourable Mick de Brenni MP.

The Powerlink Board is responsible for the overall corporate governance of the corporation and its subsidiary companies, setting the organisation's strategic direction articulated in Powerlink's Statement of Corporate Intent (SCI) and Corporate Plan.

The Board sets goals for management and establishes the policies and operational framework for the corporation. It monitors performance of the corporation, its Chief Executive, senior management and staff through regular direct reporting and via established committees.

Powerlink's Executive Team consists of the Chief Executive and six Executive General Managers accountable for the delivery of key asset management and business functions. The composition of the Executive Team balances technical, commercial and people considerations. The Executive General Manager Corporate Development position is currently temporary.

Powerlink's high level organisation structure is illustrated in Figure 1.
