If the overtime finishes before the next ordinary shift starts, shift workers are to be paid at the appropriate overtime rate for the time worked with a minimum payment equal to four hours at the appropriate overtime rate.

20.16 Twelve hour maximum

If shift workers have to work overtime for 4 or more days due to a temporary shortage of trained staff, TransGrid may arrange the overtime so that each normal shift plus the overtime does not exceed a total of 12 hours.

20.17 When overtime is not paid

Shift workers are not entitled to be paid overtime rates if the cause of the work arises from:

- (a) the customary rotation of shifts; or
- (b) arrangements between or at the request of the shift workers themselves.

Employees who are above salary point 35 and who are not engaged on shift work are also entitled to meal allowances under the same conditions as apply to day workers.

22 Meal Breaks - Day Work

22.1 Employees are entitled to normal meal breaks on ordinary working days unless there is an emergency.

22.2 Employees may take meal breaks as they fall due or at some other time by arrangement with the supervisor. However, employees must not go without a meal break for more than 5 hours unless there is an emergency.

22.3 *Disrupted meal breaks*

Employees who are unable to take all or part of their normal meal break must be paid:

- (a) overtime for the untaken part of the meal break; and
- (b) overtime rates until such time the meal break is taken.

22.4 *Overtime- Monday to Friday*

Employees who are required to work overtime for a continuous period either before their ordinary commencing time or after their ordinary finishing time are allowed:

- (c) after 8 hours - a third meal break of 20 minutes but only if the employees continue the overtime for at least another hour.

22.5 The meal break must be paid at the appropriate overtime rate.

22.6 Employees may take the first meal break:

- (a) during ordinary working hours without loss of pay if the entitlement coincides with the ordinary commencing time; or
- (b) at the commencement of the overtime or later by arrangement with the supervisor, if the period of continuous overtime begins after the ordinary finishing time.

22.7 *Overtime Saturday, Sunday or public holiday*

Employees who are required to work for a period of continuous overtime on a Saturday, Sunday or public holiday are entitled to:

- (a) a meal break of 20 minutes with pay only if they are working during what would be their ordinary hours and the overtime is for more than 4 continuous hours; and/or
- (b) meal breaks with pay as set out in 22.4.

22.8 *Overtime meal breaks count*

Meal breaks with pay allowed in connection with overtime are considered to be overtime. They do not break continuity and must be included in computing the amount of overtime worked by employees.

22.9 *Overtime – extension of meal breaks*

Employees may extend meal breaks during overtime up to one hour if the supervisor agrees. The time in excess of 20 minutes is not paid.

23 Higher Grade Work and Pay

23.1 *Obligation to work in a higher grade*

Employees must carry out work at a higher grade as directed and must be paid in accordance with the provisions of this Clause.

Employees will not be compelled to work in a higher grade, should they object to such work, if it is not reasonable or practicable for them to do so.

23.2 *Payment for higher grade work*

Employees must be paid higher grade pay if they are directed to carry out any higher graded work for one hour or more in any one day or shift.

These employees must receive the salary specified of an employee performing the particular class of work.

Employees who work at a higher grade for more than a half-day or shift must be paid the higher rate for all ordinary time worked during the day or shift.

23.3 *Aggregation*

Any time spent in another position equal to or higher than the grade of the position in which employees are acting must be counted as having been spent in the position under consideration in calculating whether the employees are entitled to higher grade pay for the purposes of this Clause.

23.4 *Payment for Leave, Sick Leave etc*

Employees must be paid higher grade pay during annual leave, paid sick leave, or periods of absence on accident pay if they have been paid the higher grade pay:

- (a) for a continuous period of three calendar months immediately before the leave; or
- (b) for broken periods which total more than six months, during the 12 calendar months immediately before the leave is taken.

23.5 No payments will be made under this Clause to employees on long service leave or for payments for long service leave or retiring allowance.

23.6 Absences on personal leave, sick leave, or accident pay, or the carrying out of lower graded work, that total not more than 5 working days or shifts during the three months continuous period in 23.4 (a) are not considered to break the

continuity of the higher grade work.

- 23.7 If employees qualify for higher grade pay for periods in accordance with 23.4, those periods must be taken as having been spent on higher grade duties in calculating the rate applicable for continued higher grade duty or for absences on annual leave, sick leave or accident pay.

23.8 *Public holidays*

Employees must only be paid the higher grade rate for any public holiday which is worked.

Public holidays occurring during a period of work for which the employee is receiving higher grade pay, will be paid at the employee's regular rate if they observe the public holiday i.e. do not attend work on the public holiday.

23.9 *Overtime*

Employees who are being paid a higher grade rate must be paid for overtime at that rate if:

- (a) they have to work outside their ordinary hours in their appointed grade, or in their acting position, or in a grade between their appointed grade and their acting grade; and
- (b) they have been carrying out the higher grade duties continuously for a period of one or more working days or shifts immediately before the overtime.

- 23.10 Employees are paid for overtime in their appointed grade at their appointed rate of pay if the overtime:

- (a) is performed between payment of the higher grade pay ceasing and payment at the appointed grade beginning; and
- (b) is not continuous with work for which higher grade pay is paid.

23.11 *Lower graded work*

Employees must:

- (a) carry out lower graded work that is temporarily required as directed; and
- (b) be paid not less than their current salary point.

23.12 *Training in higher grade*

Employees undertaking training for the purpose of gaining experience in a higher graded position must not be paid at the higher grade rate where:

- (a) the appointed occupant of the position remains on duty and retains the responsibilities of the position; and
- (b) the periods of training do not exceed a continuous period of three months.

24 Clothing and Tools

24.1 *Basis of issue*

TransGrid must issue clothing or other articles if it considers them necessary for:

- (a) protection from injury
- (b) protection in wet or hot places
- (c) protection against materials which destroy or damage ordinary clothing
- (d) protection from weather
- (e) identification when dealing with the public.

24.2 TransGrid may issue tools at its discretion.

24.3 *Issue and Replacement*

TransGrid must issue and replace clothing and tools:

- (a) in accordance with the requirements of the *Work Health and Safety Act 2011*, and other relevant legislation; or
- (b) if the item is unsuitable for the purposes for which it was issued; or
- (c) if the item is lost and the loss is accounted for satisfactorily.

24.4 An employee must replace or pay for any item of clothing or tools lost or damaged through misuse or negligence.

24.5 *Responsibility*

Employees are responsible for:

- (a) the proper care of any clothing or other article issued; and
- (b) the laundering of clothing issued to them unless they are:
 - (i) engaged in or exposed to the spraying of lead and/or silica paint
 - (ii) handling or exposed to PCB's, asbestos or synthetic fibres or have their clothing substantially soiled by transformer oil
 - (iii) exempted by TransGrid.

24.6 *Disposable Clothing*

Disposable overalls may be supplied by TransGrid when using materials in 24.5 (b) (i) and (ii).

24.7 The employee must wear any clothing or use any tools or articles issued:

- (a) only in the course of duty; and

(b) for the purpose for which they are issued.

24.8 *Wet weather Clothing*

An employee must return upon request any wet weather clothing which is not issued permanently.

25 Annual Leave

25.1 *Amount of leave*

An employee's entitlement to paid annual leave accrues progressively during a year of service according to the employee's ordinary hours of work, and accumulates from year to year. Annual Leave accrues at the rate of:

- (a) *Day Workers* – 140 hours *per year*
- (b) *Shift workers on 7 day rotating roster* – 175 hours *per year*
- (c) *Shift workers on other than 7 day rotating roster* – 140 hours *per year*.

140 hours is the equivalent of four weeks annual leave and is not intended to reduce the entitlement to leave under the *Fair Work Act, 2009*.

25.2 *Public holidays falling within a period of leave*

Annual leave does not include public holidays.

25.3 *Rate of pay*

Annual leave is paid as follows:

- (a) *Day worker* - full pay
- (b) *Shift worker* – in accordance with clause 18 – Shift Work Averaged Salaries

25.4 *When can leave be taken?*

By mutual agreement, an employee may take annual leave in 1, 2 or 3 separate periods:

- (a) on or after its due date or as rostered; or
- (b) before its due date if approved:
 - (i) where a rotating annual leave roster operates;
 - (ii) where there are special circumstances.
- (c) Annual leave taken to comply with *Clause 37 Christmas Period Shutdown* will not be included within the separate periods listed above.

25.5 *Use of annual leave for family care purposes*

When an employee takes annual leave for family care reasons an employee may elect with the consent of the employer to take annual leave not exceeding ten days in single-day periods, or part thereof, in any calendar year at a time or times agreed by the parties.

An employee may elect with the employers agreement to take annual leave at any time within a period of 24 months from the date at which it falls due.

The number of "separate periods" may then be increased in addition to the 1, 2, or 3 separate periods in 25.4 above.

- 25.6 If an employee or TransGrid terminates his or her services for any reason, any amount paid for annual leave which the employee has taken before its due date is an overpayment. TransGrid may subtract the amount of overpayment from any money payable to the employee on his or her termination without affecting its rights to recover the overpayment through court proceedings.

25.7 *Notice of leave*

Employees must give notice that they intend to take annual leave as soon as practicable and at least one month before the leave begins. However, if TransGrid agrees that extenuating circumstances exist, annual leave may be approved at shorter notice.

25.8 *Leave on terminating service*

If the service of an employee is terminated for any reason TransGrid must pay the employee or the employee's personal legal representative:

- (a) accrued annual leave for completed years of service; and
- (b) 8.3% of the weekly rate of pay at the employee's appointed grade on termination for each completed or part week of service, for the current leave accrual year.

Note: payment shall not be less than employee's entitlement under the National Employment Standards.

25.9 **Maximum Annual Leave Accrual**

- (a) In deferring annual leave, an employee may not accumulate a balance in excess of 1.5 x 12 month entitlement.
- (b) For the purpose of managing maximum annual leave accrual leave limits are based on the employee's annual leave entitlement and not pro rata accrual.

Employees may be exempt from the above where they are genuinely accumulating annual leave for a special purpose and their Manager has provided written approval. Managers are not to unreasonably withhold approval for the exemption. However where this exemption is granted an employee's maximum annual leave accrual is not to exceed 10 weeks and must be taken at the time agreed.

- (c) Managers/Team Leaders are to ensure employees do not exceed the maximum entitlement. Employees who are in excess of this entitlement and not subject to an exemption may be directed to take annual leave. In directing an employee to take such leave the Manager will take into account the needs of the business and any reasonable requests from the employee as to the leave period.

25.10 Cashing out of Annual Leave

- (a) An employee may request for a portion of their accrued annual leave to be cashed out.

TransGrid must only agree to the request if:

- (i) the cashing out does not result in the employee's remaining accrued entitlement to paid annual leave being less than four weeks; and
- (ii) Where Employee Relations in consultation with the employee's immediate supervisor reasonably believes that the cashing out is in the employee's best interests, having specific regard to:
 - a. Other paid leave that the employee is entitled to, such as long service leave
 - b. The employee's leave history and booked leave
 - c. Occupational health and safety and the employee's need for rest and recreation
 - d. The employee's pattern of work, including overtime worked, rostered days off taken, and any part-time working arrangement
 - e. Any reasons that the employee gives for their request
- (b) Upon approval of a request to cash out of a particular amount of paid annual leave this arrangement must be recorded by a separate agreement in writing between TransGrid (Human Resources/Employee Relations) and the employee
- (c) The employee must be paid at least the full agreed amount that would have been payable to the employee had the employee taken the leave that the employee has foregone.
- (d) An employee may only apply to cash out annual leave once in an annual period with a minimum amount requested to be 1 week of leave.

26 Long Service Leave

26.1 *What service counts?*

In calculating how much long service leave an employee is entitled to, TransGrid must include:

- (a) actual service with TransGrid
- (b) periods of annual and long service leave
- (c) periods of sick leave with or without pay
- (d) periods of approved leave with pay
- (e) periods of approved leave without pay not exceeding 20 consecutive working days or equivalent hours of shifts
- (f) periods of approved leave without pay exceeding 20 consecutive working days or equivalent hours of shifts which have been specifically authorised to be counted as service
- (g) periods of absence for which workers' compensation payments are made
- (h) periods of service as an employee on probation
- (i) periods specified for certain employees under the *Transferred Officers Extended Leave Act, 1961*, as amended
- (j) periods of service with another employer where an agreement has been reached between TransGrid and that employer
- (k) in the case of an employee transferred from Pacific Power those periods served with an employer immediately before transferring to Pacific Power which counted towards long service entitlements if the employee transferred in accordance with the provisions of Division I of Part VI of the *Electricity (Pacific Power) Act, 1950*, as amended or the *Electricity Commission (Balmain Electric Light Company Purchase) Act, 1950*, or other relevant Acts
- (l) in the case of an employee whose service with TransGrid was terminated by resignation or by discharge and who was re-employed, the previous period of service. By definition discharge means discharge as a consequence of retrenchment, re-organisation or shortage of work or any reason except dismissal or retirement on account of ill-health
- (m) in the case of an employee whose service with TransGrid was terminated by dismissal and who was re-employed and whose current period of service exceeds five years, the previous period of service.

Employees, who have taken or been paid for long service leave accrued in their previous period(s) of service and who are re-employed, will have those

previous period(s) of service counted for qualifying purposes only for future entitlements.

26.2 *At what rate does leave accrue?*

Long service leave accrues as follows:

Length of Service Amount of Leave

10 years	13 weeks
15 years	19.5 weeks
20 years	30.3333 weeks
Each year after 20 years	2.1666 weeks

It is not intended to reduce the entitlement to leave under the *Long Service Act, 1955* as amended.

Transferred employees with periods of service listed in 26.1 (j) and (k) must get an amount of long service leave at least equal to that to which they would have been entitled if they had not transferred. Any part of their entitlement which they have received from their previous employer is deducted from the total amount due from TransGrid.

26.3 The entitlement for length of service in between any of the periods listed in 26.2 is worked out on a proportional basis.

26.4 *How is leave paid?*

Long service leave is paid at the employee's appointed rate of pay at the time the leave is taken. Upon termination of employment with TransGrid payment of the value of the long service leave is based on completed weeks of service.

26.5 *When can leave be taken?*

Employees may clear long service leave as it becomes due. However, if the time of taking the leave would seriously inconvenience TransGrid then it must be postponed to a time on which both the employee and TransGrid can agree.

26.6 *An employee may take long service leave:*

- (a) on full pay:
 - (i) in periods of four weeks or more; or
 - (ii) with the agreement of TransGrid in periods of not less than two weeks; or
- (b) on half pay only at a time suitable to TransGrid and at its discretion. If half pay is chosen then the employee is entitled to a period of absence twice the amount of entitlement.

26.7 Employees must give TransGrid at least one month's notice before the date they intend to take long service leave.

26.8 *Public holidays Falling during leave*

Long service leave does not include public holidays.

26.9 *On leaving between 5 and 10 years*

If an employee has completed at least 5 years' service as an adult (as defined in the *Long Service Leave {Amendment} Act, 1963*), then the employee is entitled to a proportional amount of long service leave equal to 1.3 weeks for each year of total service (whether as an adult or not) if:

- (a) TransGrid terminates the service of the employee for any reason other than the employee's serious and wilful misconduct; or
- (b) the employee ceases work because of illness, incapacity or domestic or other pressing necessity; or
- (c) the employee dies.

TransGrid must pay the employee (or the legal representative in the case of death) a cash amount equivalent to the leave.

26.10 *After 10 years*

If an employee has completed on the termination of employment at least 10 years' service which entitles the employee to long service leave, then TransGrid must pay the employee (or the legal representative in the case of death) a cash amount equivalent to any untaken leave.

27 Sick Leave and Accident Pay

27.1 When may employees be granted sick leave?

Employees may be granted sick leave, either with or without pay, when they are absent from work because:

- (a) they are personally ill or injured; or
- (b) they visit a medical practitioner for advice and/or treatment for actual or suspected personal illness or injury and they comply with the regulations in 27.18 to 27.26.

27.2 Employees may be granted sick leave with pay to care for or support any dependent child or another immediate family member who is in need of care or support. The provisions of 28. Leave for Family Care apply.

27.3 *When will sick leave not be granted?*

Employees will not be granted sick leave for any period that they are also in receipt of a workers' compensation payment.

27.4 *Amount of sick leave*

- (a) The amount of sick leave with pay which may be granted will be ascertained by crediting each employee with the following periods:

	Leave on full pay hours
Upon completion of three months service	126
Upon completion of twelve months service	126
Upon completion of each additional twelve months service	126

These periods are inclusive of the NES entitlement or any other entitlements provided by law and are cumulative.

- (b) Employees transferred from Pacific Power and who were previously transferred to Pacific Power from the Commissioner of Railways are entitled to not less than the amount of sick leave they would have received if they had not transferred.
- (c) Employees transferred from Pacific Power and who were previously transferred to Pacific Power under the provisions of the *Electricity Commission Act, 1950*, as amended, retain their sick leave credits they had at the date of transfer.

27.5 *Calculation of entitlements*

When calculating the amount of sick leave with pay for which employees are eligible, sick leave which has been granted at full pay will be deducted from the entitlements in 27.3.

27.6 *Calculation of an employee's entitlement*

For each employee, the number of days for which paid sick leave has already been granted is calculated by the formula:

total hours paid sick leave taken x 5, divided by the employee's ordinary weekly working hours.

27.7 *Maximum period of leave*

The maximum period of continuous paid sick leave is ordinarily 52 weeks.

27.8 TransGrid may approve additional sick leave with pay if:

- (a) the employee still has sick leave with pay outstanding after 52 weeks; or
- (b) if all sick leave with pay has been exhausted but TransGrid considers exceptional circumstances exist, such as the employee's length of service.

27.9 *Leave to count as service*

Any period of sick leave, with or without pay, or leave on accident pay that TransGrid approves, counts as service.

27.10 *Retirement – ill-health*

TransGrid may retire employees on account of ill-health, which makes employees unable now and in the future to perform the duties of their appointed grade. TransGrid's Occupational Physician and/or other medical practitioner, as agreed to by TransGrid and the Secretary of the Union concerned, must issue a certificate to this effect.

27.11 *Retirement and sick leave*

If TransGrid decides to retire an employee because of ill-health either:

- (a) the retirement must begin only after the employee has exhausted all sick leave credits; or
- (b) the employee must be paid any accrued sick leave outstanding.

Employees will not be granted any additional sick leave after TransGrid decides that they are to be retired ill-health. When practicable, 14 days' notice of the intention to retire will be given to the employees concerned.

27.12 Only employees who are retired because of ill-health are entitled to be paid for accrued sick leave.

27.13 *Sickness during long service leave and annual leave*

If employees are personally ill or injured during annual or long service leave and produce appropriate medical evidence that they were unable to derive benefit from the leave, they must be granted, if they so elect, to have the period of illness or injury approved as sick leave:

- (a) for periods of one working day or more in the case of annual leave; or
- (b) for a period of at least 5 consecutive working days in the case of long service leave.

27.14 *Public holidays during sick leave*

A public holiday will not be counted as sick leave for employees if:

- (a) it occurs during a period of absence on approved sick leave; and
- (b) they would not have been required to work on that day.

27.15 Shift workers may elect to be paid at single time in substitution for sick leave if they:

- (a) do not work a shift for which they are rostered on a public holiday because of personal illness or injury; and

- (b) comply with the provisions relating to the granting of sick leave; and
- (c) notify TransGrid of the impending absence before the shift begins; and
- (d) submit an acceptable medical certificate in accordance with 27.20 to 27.21.

Shift workers who make this election will not have deductions made from their sick leave entitlements.

27.16 *Infectious diseases*

Employees may elect to have a period of absence from work because of contact with a person suffering from an infectious disease or restrictions imposed by law concerning the disease, either:

- (a) treated as sick leave; or
- (b) deducted from their annual leave.

Accident Pay

27.17 Accident pay is an amount that would bring the workers' compensation up to the employee's substantive salary for the weekly period in which it is paid.

27.18 Employees may be granted accident pay for a maximum period of 52 weeks if they:

- (a) have workers' compensation approved; and
- (b) comply with 27.18 to 27.26.

However, where special circumstances exist, TransGrid may discontinue accident pay at any time after receipt of such payment for a period of twenty-six weeks.

Regulations

27.19 *How to apply*

Employees must claim sick leave or accident pay on the appropriate forms or systems.

27.20 *Medical examination*

If required by TransGrid, employees must be examined by TransGrid's Occupational Physician as soon as they are physically able.

27.21 *Absence of more than 3 days*

Employees must provide evidence from a medical practitioner or other agreed professional practitioner to cover periods of absence exceeding three working days which are consecutive days;

A statutory declaration may be provided for periods of absence of 3 days or less

For all periods of absence for which an employee claims accident pay they must submit a certificate from TransGrid's Occupational Physician or another medical practitioner.

27.22 Employees, who have applied to a medical practitioner for a medical certificate and are unable to obtain such certificate, must submit a statutory declaration containing :

- the name and address of the medical practitioner
- the date of the consultation; and
- the reasons for not obtaining a certificate.

27.23 If TransGrid's Occupational Physician certifies an employee as unfit for work, the employee must obtain a medical certificate from another medical practitioner when required by TransGrid's Occupational Physician.

27.24 Sick leave or accident pay is paid to those employees only from the date on which they first consulted a medical practitioner and obtained a medical certificate. They may also be paid for a period before the consultation if the period does not exceed:

- (a) three working days which are consecutive; and
- (b) two non-working days; and
- (c) any public holiday; and
- (d) any special day off related to the working of a nine day fortnight.

27.25 *Absences of three days or less*

Employees must be able to prove to the satisfaction of their controlling officers that they were unable to attend for duty when claiming sick leave for three consecutive working days or less.

27.26 *Disputed Medical Certificate*

If TransGrid disputes a medical certificate, a referee may be appointed who is a medical practitioner agreed on by the employee and TransGrid. Any medical certificate issued by that referee must be accepted by the employee and TransGrid as conclusive.

TransGrid must pay the fee if the referee decides in favour of the employee and employees must pay the fee if the decision is against them.

TransGrid must allow the employee to have leave with pay for any medical examination by the referee.

27.27 Each employee who is admitted to hospital must obtain a medical certificate stating:

- (a) the date of admission

- (b) the nature of the incapacity for work
- (c) the anticipated period of absence.

Employees must obtain a medical certificate for each 4 weeks they are in hospital.

28 Leave for Family Care

28.1 *Purpose*

To provide care and support for persons who are ill and in need of an employee's personal care, or who will require care due to an unexpected emergency.

28.2 Types of Leave

An employee may apply for:

- (a) sick leave with pay, or
- (b) annual leave; or
- (c) personal leave without pay.

When applying for sick, annual or personal leave without pay for family care purposes, employees shall if required provide evidence from medical practitioner or other agreed professional practitioner (or statutory declaration where less than 3 days) in relation to the illness of the person in need of their personal care.

Note: The taking of leave for family care applies in addition to:

The accrual of flexi days, rostered days off or special days off to attend to family related matters.

28.3 *Eligibility*

To be eligible to take leave for family care, the employee must be personally responsible for the care or support of the person who is ill.

The person who is ill must be a member of the employee's household or an immediate family member.

For the purposes of this clause:

- (a) "immediate family" means a spouse, child, parent, grandparent, grandchild or sibling of the employee
- (b) "spouse" includes a de facto spouse, former spouse, or former de facto spouse
- (c) "child" includes a step-child, adopted child or an adult child
- (d) the immediate family members of an employee's spouse are taken to also be the employee's immediate family members; and

- (e) If, under this clause, one person is a child of another person, other family relationships are also to be determined on the basis that the child is a child of that other person (i.e. in the case of stepfamilies).

28.4 In the event of an employee's spouse becoming ill, leave for family care may also be approved to care for or support the employee's children

- (a) where no other carer is available; or
- (b) until alternative arrangements are made.

28.5 *Notify early*

Additionally if practicable, the employee must give to TransGrid:

- (a) notice prior to the absence of the intention to take leave; and
- (b) the name of the person requiring care; and
- (c) their relationship to the employee; and
- (d) the reasons for taking such leave; and

If it is not practicable for the employee to give prior notice of absence the employee shall notify TransGrid by telephone of such absence at the first opportunity on the day of absence.

28.6 *Use of Sick Leave*

An employee may apply for sick leave with pay when sufficient sick leave exists to cover the requested period of absence.

28.7 *Use of Annual Leave*

Employees may apply for annual leave:

- (a) when they have an annual leave credit to cover the requested period of absence; and
- (b) for periods not exceeding ten days in single day periods, or part thereof, in any calendar year, at a time(s) agreed to by local management. The number of "separate periods" of annual leave may be increased beyond the 1, 2 or 3 separate periods shown in 25. Annual Leave.

28.8 *Use of personal leave without pay*

An employee may apply for personal leave without pay.

28.9 *Make-up time*
